A CONTINUING EDUCATION TRAINING
FOR MENTAL HEALTH CLINICIANS

Introduction to Sandtray & Play Therapy

TWO-DAY IN-PERSON TRAINING

Deepen your skills. Expand your perspective. Discover the power of play.

Sandtray offers clients a powerful way to communicate, explore, and make meaning through symbolic expression. This experiential training provides a strong foundation in sandtray and play therapy theory, therapist stance, developmental applications, trauma-informed practice, ethical decision making, and practical implementation across clinical settings.

PRESENTER

Alzirene Faubion

MA, LPC, CPCS, RPT-S™

Come explore the world of sandtray.

WHAT YOU'LL EXPLORE

- Sandtray Therapy vs. Sandplay Therapy
- Therapist Stance and Clinical Decision Making
