

Introduction to Sandtray & Play Therapy

TWO-DAY IN-PERSON TRAINING

*Deepen your skills. Expand your perspective.
Discover the power of play.*

Sandtray offers clients a powerful way to communicate, explore, and make meaning through symbolic expression. This experiential training provides a strong foundation in sandtray and play therapy theory, therapist stance, developmental applications, trauma-informed practice, ethical decision making, and practical implementation across clinical settings.

WHAT YOU'LL EXPLORE

- Sandtray Therapy vs. Sandplay Therapy
- Therapist Stance and Clinical Decision Making
- Directive and Non-Directive Play Therapy
- The Therapeutic Powers of Play
- Trauma-Informed Practice
- Developmental Applications Across the Lifespan

Jackie Flynn is solely responsible for all aspects of the programs.
